

Onexar Ltd Risk Warning

Overview:

Trading Forex and leveraged financial instruments **involves a high level of risk** and can lead to **significant financial loss**. Investors should carefully consider their financial situation, trading experience, and risk appetite before engaging in trading activities.

Key Points:

- Trading leveraged products may result in **losses exceeding initial deposits**.
- Only trade with funds you can afford to lose.
- Market volatility, leverage, and execution risks can lead to unexpected losses.
- **Onexar Ltd does not guarantee profits**; past performance does not predict future results.
- Clients should seek independent financial advice if unsure about the risks involved.
